*35 Miles From Shore: The Ditching and
Rescue of ALM Flight 980*

The true story of ALM Flight 980, which ditched its passengers & crew into the shark-infested waters of the Caribbean. Corsetti puts the reader inside the cabin, cockpit, & the rescue helicopters as the Coast Guard, Navy & Marines struggle against weather and dwindling day-light to rescue the survivors who have only life vests & a lone escape chute to keep them afloat.
