Send Cat in the Hat a fun electronic birthday card that you can design, color and submit online at [www.catinthehat.com](http://www.catinthehat.com). For each card, Random House Children's Books will make a book donation (up to 1 million books) to First Book, a nonprofit organization that provides free books for low income families. The website tracks how many cards are sent from each state...let's make Missouri number one! *Deadline for sending birthday cards is May 1, 2007.*
