Read & pick prizes June 1-July 31

It's fun, free and rewarding!

Sponsored by Friends of the Library

Reading over the summer positively impacts student achievement. A study by the Department of Elementary & Secondary Education and the Missouri State Library showed that participating in a summer reading program at the public library has an 18% effect on reading scores.

- Beginning June 1, sign up at your local library.
- Check out some books and start reading. You can read what you enjoy reading wherever you happen to be...on vacation, at camp, at home, in school, or even at the beach!
- Each time you reach a reading goal, you will be able to pick your prize when you bring your reading log back to the library!
- We will also send a report to your school to let your teacher know that you are a great reader !
